

The parties, by and through respective undersigned counsel and pursuant to the Court's Amended Case Management Order entered on September 10, 2024, hereby respectfully submit the following Joint Status Report:

1. Status of Discovery: The parties have exchanged written discovery. There are outstanding discovery responses due from Defendant Squirrels, LLC in response to Plaintiff's written discovery. Plaintiff will be following up on those requests in accordance with Fed. R. Civ. P. 37 and Local Rule 37.1. The discovery cutoff is January 31, 2025, and at this time the parties anticipate having all discovery completed by this date.
2. Outstanding Motions: There are no outstanding motions before the Court.
3. Case Schedule: At this time the parties believe that there is no reason to deviate from the case schedule as set forth in the Amended Case Management Order entered on September 10, 2024.

4. Mediation and Settlement: A Settlement Conference was conducted on September 3, 2024 with a follow up conference conducted on September 18, 2024. An agreement was ultimately reached between Plaintiff and Defendant Allmine, Inc. that will result in Allmine's dismissal from this case. Plaintiff and Defendant Squirrels, LLC did not resolve their dispute. Plaintiff's demand remains what he is allegedly due and owing based upon the transactions underlying this action as prayed for in the Complaint. The balance totals \$774,373.60. He would be willing to compromise this demand in the event a good faith effort is made on the part of Squirrels, LLC to settle the dispute.

Respectfully submitted,

/s/- Thomas L. Sooy
